Introduction

At Finnova, we value the privacy and protection of our users' personal data. This Privacy Policy describes how we collect, use, and protect the personal information provided by users who register for early access and the pre-launch of the Finnova app.

This policy applies exclusively to data collected through the registration form displayed on our platform.

Data Controller

The data controller for personal data is:

Finnova

Contact email: finnova.lyratech@gmail.com

Personal Data We Collect

Through the early access registration form, Finnova may collect the following personal data:

- Full name
- Email address
- Phone number
- Age

The age provided is used solely for internal segmentation and statistical analysis purposes, and not for identity verification.

Purpose of Data Processing

The personal data collected will be used exclusively for the following purposes:

- To keep users informed about the development and rollout of the Finnova application.
- To manage early access and the pre-launch of the product.
- To send communications regarding the status of the launch, invitations, and relevant product updates.

The data will not be used for purposes other than those described here without the user's prior consent.

Legal Basis for Processing

The processing of personal data is carried out in accordance with Article 6(1)(a) of the General Data Protection Regulation (GDPR), based on the explicit consent provided by the user when completing and submitting the registration form.

Data retention

Personal data will be retained only for as long as necessary to fulfill the purposes described in this policy, and in particular:

- Until the completion of the early access process and the official launch of the application, or
- Until the user requests the deletion of their personal data.

Sharing data with third parties

Finnova does not sell, rent, or share users' personal data with third parties.

Access to the data will be limited to those technical service providers strictly necessary for the operation of the platform (e.g., storage or email delivery services), who act as data processors and are subject to confidentiality and data protection obligations in accordance with the GDPR.

User Rights

In accordance with the General Data Protection Regulation, the user has the right to:

- Access their personal data.
- Request the correction of inaccurate or incomplete data.
- Request the deletion of their personal data (right to be forgotten).
- Object to the processing of their data.
- Request the portability of their data, where applicable.

To exercise any of these rights, users may contact Finnova via email at: finnova.lyratech@gmail.com

Data Security

Finnova implements reasonable technical and organizational measures to protect personal data against unauthorized access, loss, alteration, or improper disclosure, in accordance with best security practices and applicable regulations.

Communications and Notifications

Upon registration, the user may agree to receive notifications and updates regarding early access and the launch of Finnova.

The user may withdraw their consent and stop receiving communications at any time through the means indicated in the communications or by contacting Finnova directly.

Changes to the Privacy Policy

Finnova reserves the right to modify this Privacy Policy at any time. Any significant changes will be communicated to users in an appropriate manner through available channels.

Contact

For any questions, inquiries, or requests related to this Privacy Policy or the processing of personal data, the user may contact:
